MEMORANDUM FOR: Executive Secretary,
Utilization Advisory Board

SUBJECT: Utilization of CHESS Material in
Army Publication

REFERENCES: A. Army Memo to Chairman, UAB,
TCS-2505-57 (S(T) 766)), Same
Subject, 18 December 1957
B. UAB Memo to Army, TCS-1919-57,
24 September 1957 Citing Army
Memo TS(T) 2461, 17 September 1957

1. The Army text and graphics (Reference A), on four USSR railroad yards and shops, have been reviewed in consideration of protection of sources in the Talent System.

2. No source of any kind is cited; the information could have come from a variety of sources unrelated to Talent; and an aerial photographic source has been adequately screened.

3. A similar study on a rail transloading site in Hungary has been approved previously for release (Reference B).

4. It is noted that classification will be, "SECRET, Special Handling Required, Not Releaseable to Foreign Nationals Except: UK and Canada."

5. Release of the report is recommended.
